About Me

I am a dedicated and detail-oriented Computer Science student with a strong interest in software development, data analytics, and emerging technologies. I enjoy solving real-world problems through coding and continuously improving my technical and analytical skills. I am a quick learner, adaptable, and passionate about contributing effectively in team environments.

Education

B.Tech in Computer Science R.V.R & J.C College of Engineering, Guntur Score: 82%	2027
Intermediate A.P Model School & Jr College, Mundlamuru Board of Intermediate Education, AP Score: 93%	2023
SSC A.P Model School & Jr College, Mundlamuru Board of Secondary Education, AP Score: 95%	2021

Academic & Personal Projects

- **Personal Portfolio Website** — *Technologies Used: HTML, CSS* May 2026
 - Designed and developed a responsive personal portfolio website from scratch to showcase academic projects and skills.
 - Implemented modern CSS techniques, including Flexbox and Grid layouts, ensuring seamless cross-device compatibility.
 - Optimized website assets and structure to improve page loading speed and overall user experience.

Internship Experience

AI & Data Analytics Intern May 2023 – July 2023	Skilldizre, Hyderabad
● Collected and preprocessed datasets to support AI model training and validation. ● Conducted market research on 10+ AI-driven companies in the APAC region to identify emerging trends. ● Built interactive Tableau dashboards to visualize AI adoption in education and healthcare sectors. ● Provided insights for integrating AI-based automation to improve efficiency and client engagement. ● Successfully completed internship and earned certification in Artificial Intelligence.	

Technical Skills

- **Programming Languages:** Python, Java, C
- **Web Development:** HTML, CSS, JavaScript
- **Tools & Technologies:** Tableau, AWS, Git
- **Core Areas:** Data Structures, Database Management Systems (DBMS), Data Analysis, AI Fundamentals

Certifications

- NPTEL – Programming in Java (Core and Advanced Concepts)
- AWS Virtual Internship – Cloud Fundamentals and Services
- AWS Data Engineering – Data Pipelines and Analytics
- Hands-on experience with AWS SageMaker
- B10X Certification – Practical exposure to emerging technologies and innovation-driven problem solving

Positions of Responsibility

- Active NSS Volunteer, contributing to community service initiatives.

- ACM Member, involved in organizing and conducting technical events.
